

Module 1 – Lesson Prep

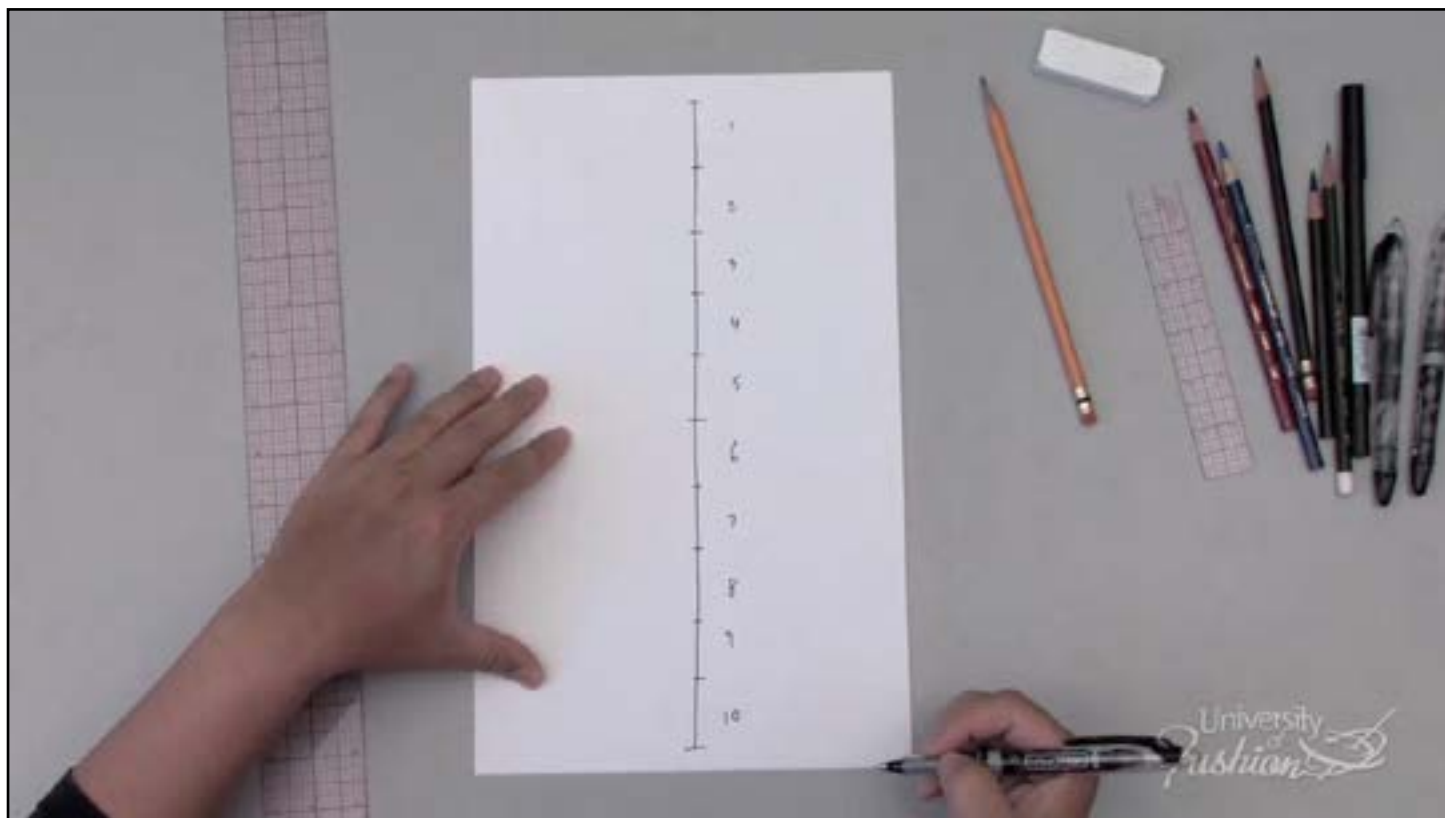

Step 1 The first thing you need to do is to establish your center or plum line on the page. Draw this line either with your ruler or, in my case, by eye. Leave 1/4" on the top and bottom of the page.

Module 1 – Lesson Prep

Step 2 Divide that line in half and place a mark. This marks the centerline.

Module 1 – Lesson Prep

Step 3 We will be drawing what is called a 10 headed proportion, so you will divide your line into 10 equal sections, or at 1 1/2" apart. I have numbered them 1, 2, 3, 4, 5 and I'll do the same thing on the bottom 6, 7, 8, 9,10.
