

## Module 1 – Lesson Prep – Prepare Dress Form &amp; Extract Measurements

**Step 1A** Begin the drape by applying style tape from apex to apex.

## Module 1 – Lesson Prep – Prepare Dress Form & Extract Measurements

**Step 1B** Tape the desired hemline, which for this silhouette will be 4" below the waistline. Make sure that your style tape is parallel to the floor.

## Module 1 – Lesson Prep – Prepare Dress Form & Extract Measurements

**Step 2A** Establish the princess style points by measuring down 3/4" from the plate screw and then apply style tape. Be sure that your front and back measurements are the same when measured from the side seam.
