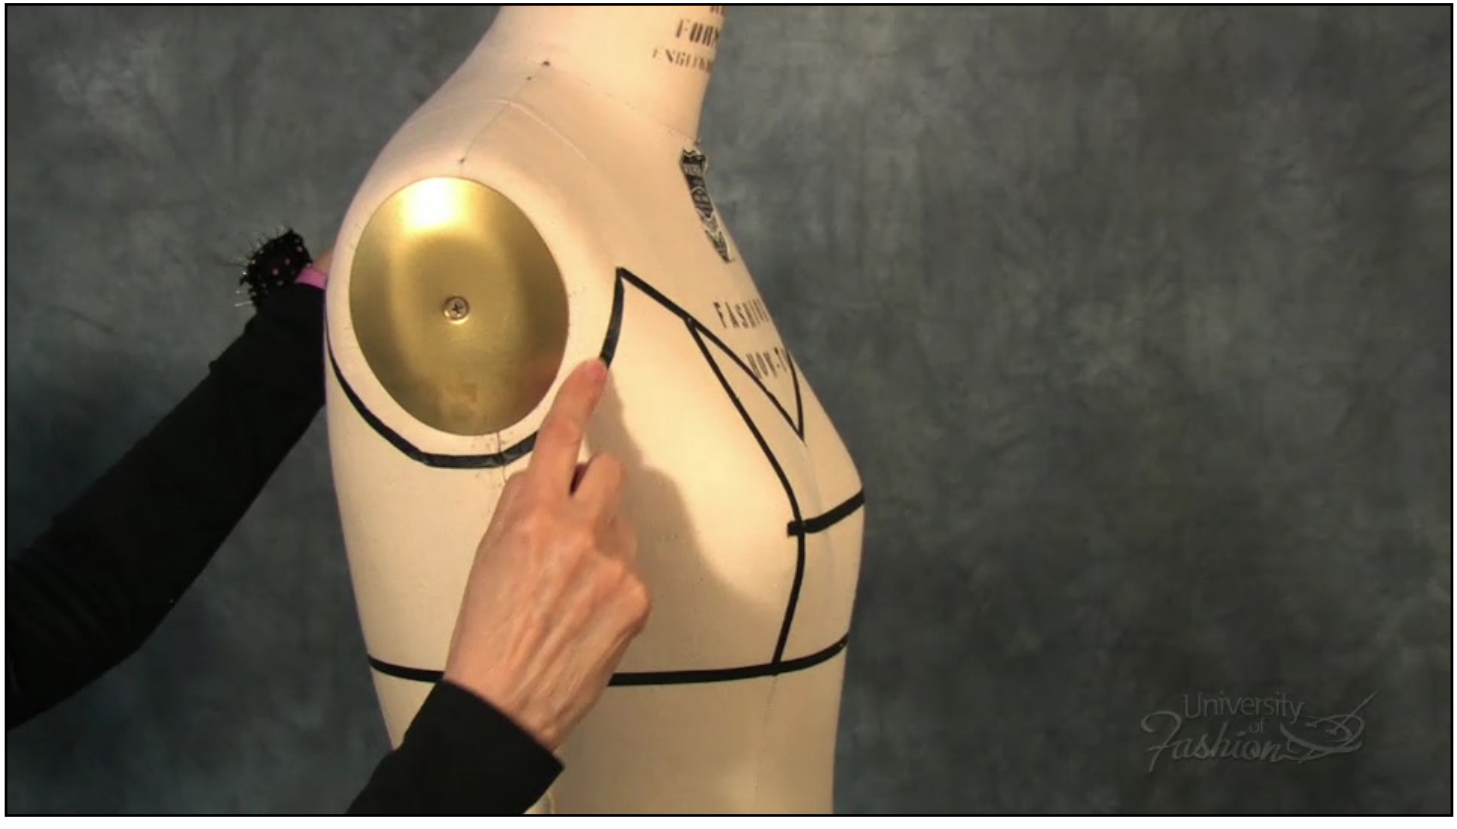
Module 1 – Prepare Dress Form

Step 1 The first step is to apply style tape to your dress form to establish your guidelines and stylelines. Start by taping across the bust level from the right apex across to the left apex.

Module 1 – Prepare Dress Form



Step 2 Tape the desired neckline and underarm both left and right side, but only the right side back neckline. Don't drop lower than ½" from the armplate at the side seam.

Module 1 – Prepare Dress Form

Step 3 Tape the empire style line under the bust from back to front, ending under the left bust/princess line intersection. Your style tape must be parallel to the floor.
