

Module 1 – Prepare the Dress Form

Step 1 The first step when draping the sheath dress is to apply style tape to your dress form to establish your guidelines and neckline style line. For bust level, tape from the left apex to the side seam. Make sure that the style tape is parallel to the floor.

Module 1 – Prepare the Dress Form

Step 2 Tape the desired neckline both front and back.

Module 1 – Prepare the Dress Form

Step 3 Tape the shoulder blade level, which is $\frac{1}{4}$ th the distance from your neckline to the middle of the waist tape. Tape from the center back to the armhole ridge. Be sure that this line is parallel to the floor.
