PRESS RELEASE

Sewing Techniques for Beginners

Francesca Sterlacci

Sewing: Techniques for Beginners, by Francesca Sterlacci and published by Laurence King in January 2019 is a thorough, step-by-step presentation of all aspects of sewing for beginners.

Using this book, readers will be inspired by the creative possibilities of sewing techniques, and learn the basics of sewing - from how to choose your tools to interfacings and linings, before progressing through to learning techniques such as sewing buttonholes, tailoring pockets and inserting zips.

Videos to accompany the book are available at www.universityoffashion.com

1320 illustrations
250 x 295 mm
PAPERBACK

9781786271983
\$70.00

Francesca Sterlacci is founder/CEO of the University of Fashion, the first and largest online fashion design video library in the world.
